SHOW OUR FELLOW COMMUNITY MEMBERS HOW MUCH WE GIVE BACK TO THE COMMUNITY AND THE CHARITIES WE SUPPORT

We are asking each member who signs up to participate in a charitable activity, whether it be the above activities or another activity on the same day, sign up on our Evenbrite site:

<https://www.eventbrite.com/e/region-8-volunteer-day-tickets-38415570004>

Divisions are encouraged to create charitable giving teams. If you would like team recognition, please create a team in the Evenbrite app. (It is not necessary to be part of a team to participate)

Each member who signs up should provide details on charitable activities and will be entered into a random drawing for a \$50 gift certificate. The largest single donor (monetary and/or time) will win a prize and the largest team (by percentage of their division) will win a luncheon with all of their team members
